

Splash Spring 2022
Ani Sahakyan

The CCC System

Objectives

- Show the advantages of choosing a Community College in some circumstances
- Provide insight into the system and familiarize the students with the system; how to navigate around it

Lesson Plan

- Introduction to the course and myself
- Presentation containing useful information and introduction to the system
- Talking to the students about my experiences
- Success stories from other transfer students (me included!)
- Open the forum for any questions/comments/concerns
